Subject: Eloy Elementary School District No. 11

Dear Mr. Horne:

We issued a compliance review report on November 23, 2004, informing Eloy Elementary School District No. 11 that it had not complied with the *Uniform System of Financial Records* (USFR). Recommendations to correct the deficiencies were described in our report. The District was given 90 days to implement the recommendations in our report.

We subsequently performed a status review of the District's internal controls as of April 21, 2005. Our review covered the deficiencies we had previously communicated to management and deficiencies included in the District's June 30, 2004, audit reports and USFR Compliance Questionnaire. The purpose of our status review was to determine whether the District was in substantial compliance with the USFR as of the date of our review. Our review consisted primarily of inquiries and selective testing of accounting records and control procedures. The review was more limited in scope than would be necessary to express an opinion on the District's internal controls. Accordingly, we do not express an opinion on its internal controls or ensure that all deficiencies were disclosed.

Based on the number and nature of the deficiencies noted in our status review, we determined that Eloy Elementary School District No. 11 still has not complied with the USFR. Therefore, we request that the Arizona State Board of Education take appropriate action as prescribed by Arizona Revised Statutes §15-272. The District's deficiencies and our recommendations are described in the enclosed status review report issued August 17, 2005, notifying the District of its continued noncompliance.

The Honorable Tom Horne
